

Attached is VERY important information for clubs/coaches attending **Level 9 and 10 Regionals**. Please review these documents before regionals so that we can reduce the amount of time reviewing this at the coaches' meetings at regionals.

At each coaches' meeting we will ask for any declines for Level 10 Nationals and Level 9 Easterns. It is very important that you have a conversation with your athletes PRIOR to regionals to discuss whether they will decide to decline. It is very important that we can announce the qualifiers that DO intend to attend nationals at the regional meet.

Please remember to pick up your **regional** shirts (for all athletes and coaches participating at regional meets) at the registration desk at regionals. This is for Level 8, 9 and 10.

**Level 10:** Please bring the attached JO Nationals publicity release forms for each athlete at regionals and submit this at the registration desk at regionals. This way it is completed for all athletes who qualify to nationals, and any possible scratch replacements. We will forward these to the national office.

**JO Nationals Qualifiers Meeting:** will take place on **Friday April 13th, 4:30-6:30pm**, for all JO National qualifiers and alternates, and their coaches. The region will pay entry fees to nationals for all athletes who attend. Please see the attached announcements for additional information.

**Attachments:** Level 9 Regional Announcements, Level 10 Regional Announcements, JO Nationals Qualifiers Meeting, Publicity Release Form for JO Nationals, All Star Team Qualification.

Thank you and good luck to all at regionals!
