TRAINING

- Region 7 is scheduled for training on Thursday May 3rd, 1-3:30pm at the competition site
- Training is for our Region 7 competitors only. Contact the meet host for additional training opportunities at local clubs for alternates who wish to train, or clubs looking for additional training during their stay after our Thursday training time.

ALTERNATES

Many clubs ask whether they should travel their gymnasts in alternate positions. This is a club/coaching decision. Here is some information pertaining to alternates.

- If you are planning to travel with your alternate, please report to Annie Heffernon once you arrive and notify her that you are present. Please be sure to give her your age group and region.
- Please plan to report to the competition with your age group, and your athlete prepared to compete (in competition apparel (if 1st alternate), hair done, bring personal equipment—grips, music, etc.). Have your athlete attend the open stretch.

- If an athlete on the Region 7 team is injured during open stretch or the FIRST warm-up event, the 1st alternate (if present) will be entered in the competition. In this case, the athlete will be given warm up time on that event. Once the first timed warm up is complete, we may not enter an alternate athlete.
- If you plan to travel with your alternate, you are responsible for finding training for your athlete while in Rochester.
- See Apparel section below for apparel guidelines for alternates

APPAREL

Athletes: GK is again generously donating apparel, including a tank leo, warm-up jacket, and stretch capris, for the athletes going to Eastern Nationals.

- **AA places 1-10** in each age group from Level 9 Regionals will need to report for GK sizing immediately after their competition session/awards
- All Region 7 athletes who qualify to compete at Easterns will receive apparel, and can pick up apparel at the venue on Thursday May 3rd (8-5) or Friday/Saturday (8-8).
- 1st alternates will also receive apparel. They can pick up apparel at the venue once all competitors have picked up apparel for Region 7. If an alternate is not planning to travel to Easterns, the apparel will be mailed to them.
- 2nd alternates DO NOT receive apparel unless called to compete.
- Eastern competitors should plan to bring skin-tone briefs to wear with the competition leo. No racer back sports bras.
- Athletes should plan to wear their Regional shirt and leo (provided at regionals) on training day.

NEW FOR 2018: Region 7 is proud to provide our Eastern National Competitors and 1st alternates a regional leo for training day at Easterns. Please plan to pick up your regional leo following your regional awards ceremony. These will be available in the same area as GK sizing. Note: you are not required to attend training at easterns to receive the regional leo.

Coaches:

- **Training Day:** Coaches should plan to wear the 2018 regional shirt on training day with black pants/shorts. This shirt will be available for pick up at the registration desk at regionals.
- **Competition Days:** We will be using the same coaching shirts that we used for 2017 Easterns and JO Nationals. If you qualify an athlete for Easterns, do not have a coaching shirt, and will be coaching your athlete at Easterns, please pick up a shirt immediately after the competition session at regionals. You will complete a shirt order form, and then will receive your shirt. If you have athletes competing on more than one day, you will receive an additional shirt. Again, shirts are only available for coaches traveling to Easterns.

These shirts are the same shirts we will be using for JO Nationals. If you have picked up shirts for JO Nationals, you do not need to pick up additional shirts for Easterns unless you have different coaches traveling.

*Good luck to all of our athletes at Level 9 Regionals and
2018 Eastern Nationals!*
