Registering for 2019 Pre-Season Prep Training Camp

Please follow directions completely. A club is not officially registered until an email from the Camp Administrator confirms acceptance.

To be eligible to attend camp, a gymnast must have competed Optional in 2019 and will qualify to a minimum of Level 8 in 2020.

Step 1: Registration

1. Go to Meet Reservations on www.usagym.com **on or after March 11, 2019**.
2. Click on SEARCH FOR MEETS, enter Discipline: WOMEN State: NJ , then select Pre-Season Prep Training Camp from the list.
3. Enter gymnasts and coaches on Meet Reservations. (Coaches attending without gymnasts and non-working Judges should follow this same process.)
4. Complete the SUMMARY AND PAYMENT FORM on the next page and mail with a check payable to GYMLAND. Please include a printout of the Meet Reservation entry. The **postmark on the payment envelope** will determine where the club is placed in line to enter the camp. Regular mail is acceptable since the determination is the postmark, not the day it is received. The Meet Reservation entry is NOT the date used: the payment postmark is the date used. The postmark cannot be before the official start date of March 11, 2019.
5. A club is not accepted to camp at this point.

Step 2: Confirmation and follow up

1. The Camp Administrator will email the contact listed on *Summary and Payment Form* (see next page) with the status of the entry: accepted to camp, waitlisted, or session requested is closed. Once the camp is officially closed, we will no longer accept entries on Meet Reservations.
2. The email will also have an attachment with the entries downloaded from Meet Reservations. The club will need to complete the Excel spreadsheet with the following information:
Athlete: Level in 2019, expected Level in 2020, graduation year, GK Leotard size
Coach: T shirt size
3. The completed attachment will need to be returned to the Camp Administrator within one week of day email was sent.
4. A list of accepted clubs will periodically be posted on <http://www.region7usagym.com/>

Step 3: Changes

1. Changes to the gymnast roster or coaches roster will need to be emailed to the Camp Administrator at office@gym-land.com. Confirmation of the change will be emailed back to the contact.
2. The deadline for refunds is 6/1/2019. We would really appreciate it if you would let us know of scratches as soon as possible. This camp always has a waitlist and we would like to get as many gymnasts in as possible.

If you have any questions about registration, please email
