

From Linda Johnson

It is with such deep sadness that I share with you that Lynn Perrott, our Regional Chair, passed away earlier this evening. Richard, Lynn's husband, shared that she was surrounded by her family, and passed comfortably and peacefully.

Myra and I each had the opportunity to go to Lynn's home yesterday to spend precious time with her, and to say good-bye. That time meant the world to us. Lynn's family has been amazing—opening their hearts and home to so many friends and family.

Lynn knew how much we loved her and cared about her. Her family is so grateful for the support, caring thoughts and gestures from so many people in our Region 7 community.

Lynn will be sorely missed by everyone in the Region 7 Gymnastics community, and by gymnastics communities throughout the United States. We will remember her for her keen intelligence, sense of humor, wit and positive attitude, even in the face of her illness. She was an extraordinary leader for our region and, even more, a cherished friend.

We have not received any information about arrangements, and when we do we will pass it forward.

Please continue to keep Lynn's family in your thoughts and prayers.

Love and Peace,

Linda J and Myra
