USA Gymnastics is working with the Center to provide a mechanism to obtain parental consent.

#### Is there an exception where an athlete may not have to complete the course?

Survivors of abuse may receive an exemption from this education and training policy. Requests may be made directly to the U.S. Center for SafeSport at <u>ngbservices@safesport.org</u> about an exemption, which will be addressed on a case-by-case basis. Any other waiver request may be sent to <u>mbusby@usagym.org</u>.

#### How much will it cost an athlete?

The course is offered at zero cost for an athlete.

#### How does an athlete complete the course?

The course takes approximately 90 minutes to complete. If an athlete needs assistance in registering for the course, he/she should contact the Member Services Department at 800.345.4719 or via email at membership@usagym.org.

4. All N.J. meets that have level 8's, 9's & 10's are qualifiers. This meet must be in state. A sanctioned competition can be held with just the home team. For safety, you do not need another team to attend.

5. All Levels will have State Meets during the 2020-2021 Season.

- 6. Warm-ups no earlier than 8:00 am.
- 7. Competition schedule to be completed by 10:00 p.m.
- 8. Athletes on floor (warm-up and competition) WILL NOT EXCEED FIVE HOURS.

#### **COMPETITION FORMAT**

All Around competitors as well as Indivdual Event Specialists (IES) gymnasts should NOT be required to start on more than one event, unless there are scratches that reduce the total number of competitors in the squad to less than four (4) athletes.

1. Clubs that host a meet with only one judge at Levels 2, to 5 and Xcel must announce this in the pre-meet information and on the judge's request form. It is strongly recommended that the judge used not be affiliated with the competing gymnasts.

If an affiliated judge must be assigned, refer to USA-Gymnastics R&P Chapter 5 pages 34-35.

## 2. Pre-Meet information for Invitational meets must indicate the "type" of invitational and regulations regarding team competition.

3. If a meet is held with gymnasts from only one club, it is strongly recommended that you use two non-affiliated judges.

a. Athletes with the same level must compete consecutively.

b. Competitive order is determined by draw (within that level), or in the case of a team invitational, teams are drawn for team order, **then all athletes from one level compete, then the next level etc.** 

#### 4. EFFECTIVE AUGUST 1 2020 NON-TRADITIONAL FORMAT

For both of these non-traditional formats, the total number of athletes assigned to the two squads that start on the same event (one squad in Flight A and the other squad in Flight B) cannot exceed:

- Sixteen (16) for Levels 8-10
- Eighteen (18) for Levels 6/7 combined with Levels 8-10
- Twenty (20) for Levels 6 and/or 7 only
- Twenty-four (24) for Levels 1-5.

Splitting the timed warm-ups within the squad is **NOT** allowed if there are:

- Nine (9) or more Level 8-10 or Level 6/7 combined with Level 8-10
- Eleven (11) or more Levels 6 and/or 7 only
- Thirteen (13) or more Level 1-5 in any of the eight (8) squads

• It is recommended that there be no less than five gymnasts per squad.

Page 102 Chart:

Maximum number of athletes allowed in a session combining Level 6/7 athletes with Level 8-10 athletes: Traditional formats: 60 – no more than 28 Level 8-10, Non-Traditional formats: 72 – no more than 32 Level 8-10

Modified Traditional FORMAT #2 (alternating warm-up and competition): Meets in which the open stretch, timed warm-ups and competition are conducted in one gym in which there is one Vault, one set of bars, two balance beams, and one floor exercise mat in the competition gym. No warm-up gym. Timed warm-ups immediately preceding competition on each event with continuous rotations. The judges move from the "A" beam to the "B" beam for competition.) Timed warm-ups immediately preceding competition on that event. The timed touch warm-up. When squads consist of 13 or more compulsory gymnasts or 9 or more Optional gymnasts, the squad MAY be divided into two sub-groups. The first half takes their timed warm-ups, and then competes; then the second half takes their timed warm-ups and competes. Touch warm-ups on beam and floor may be staggered. (See Chapter 9 page 107 of the R&P)

5. The Meet Director MAY NOT determine the age groups for Invitational and qualifying meets below the State Championships.

#### **NON-CITIZEN PARTICIPATION**

1. Non-citizen will be eligible for awards at Regional meets and below. Duplicate awards are no longer necessary.

2. Athletes (U.S. citizens or Non-U.S. Citizens) who have resided outside the U.S, have competitive experience outside the U.S., and now reside in the U.S. are eligible to petition to the Regional J.O. Chairman for entry into the J.O. Program at Level 8 or above. The petition must be accompanied by a video that demonstrates the skill level for which she is submitting the petition and proof of residency outside the U.S.

#### **INITIATIVES FOR THE JO PROGRAM**

1. Any gymnast who has had previous competitive experience in any system (including USA-Gymnastics) and who is a minimum of 14 years of age or is at least a freshman in High School is eligible to petition to the State Administrative Committee for entry into Level 7 and below. The petition must be accompanied by a video demonstration or her skill level.

2. J.O. National effective AUGUST 1, 2015 add Jr. E, Jr. F, and Sr. E, Sr. F age divisions to J.O. Nationals, allowing more opportunities for athletes at Level 10 to compete in the J.O. National Championships.

3. It is recommended that Sectional and State Meet competition entries be submitted 4 to 6 weeks prior to the competition date so that a schedule can be made and posted to all.

#### **DEVELOPMENTAL PROGRAM NATIONAL TRAINING CAMP**

1. Training camp, any open slots will be offered to additional Level 10 Developmental Program National competitors Using the results of Developmental Program National, in rank order. When filling the remaining slots, athletes will be invited by starting with the next place in the Jr. A Division; followed by the next place in the Jr. B Division. This process will continue through the age divisions until all slots (32) to the camp have been filled.

#### **TOP's TALENT OPPORTUNITY PROGRAM**

TOP's (Talent Opportunity Program), is a talent search and educational program for female gymnasts ages 7 to 10 and their coaches. During the months of June and July gymnasts age 7 to 10 are evaluated on physical abilities at the state or regional level. These dates are set by your State TOP manager in conjunction with the National TOP Manager. From there, athletes are invited to participate in the National TOP test that is conducted in the month of October where they will be evaluated on the same physical abilities tests along with some basic gymnastics skills. Athletes are then invited to participate in the National TOP Training camp, which takes place in December of each year.

#### **DEVELOPMENTAL PROGRAM UPDATE**

1. If, due to religious reasons or valid unforeseen circumstances, a gymnast is unable to compete with her designated age group, she may compete on another day (or in another session) with the approval of the SACC. She will not be eligible for ANY awards. Her score may be used for mobility or qualification purposes (if qualification is by score, not placement or percentage in a given age group) to the next meet.

2. At a USA Gymnastics sanctioned event, a gymnast may NOT participate in warm-up or competition while wearing a hard, non-removable cast.

3. For the safety of the athlete at a USA Gymnastics sanctioned event, a coach (professional member) may NOT actively spot or assist an athlete on a skill during warm-up or competition while wearing a cast or medical device that limits mobility in any way.

4. When at all possible, the Meet Director at USA Gymnastics sanctioned Invitational assign teams that are split into two squads in the same flight and on "opposing" events. For example, if Team A is in two squads, Team A is assigned on Vault and Beam or Bars and Floor in the same flight, NOT Vault and Bars or Beam and Floor.

5. If the equipment provided at Regional's or East/West Championships is unfamiliar to the coaches, the attending USA-Gymnastics representative will determine if the timed warm-up procedures need to be altered.

6. Developmental Program Nationals Regional Team Score for each age division will be determined by adding the top

four (instead of five) scores on each event.

7. At all Sanctioned events Development Program and Xcel competition a coach can request video review by the Meet Referee and the highest rated unaffiliated judge (if a video is available) in the event that the inquiry involves possibility that the judges missed an element that would affect the start value. The video review process MAY NOT be used to appeal a judgment of degree assessment, i.e. degree of casts, handstands, incomplete turns, direct connection of elements, or leg separation in leaps as well as other like skills.

a. If the Meet Referee or highest rated judge is affiliated with the athlete in question, the video review will be conducted by the two highest rated unaffiliated judges, or the highest rated unaffiliated judge and a USA Gymnastics officer.

b. The Meet Referee must inform the judging panel that a video review will be initiated as well as the final decision. Examples:

• All judges did not record a full turn on BB.

• One or more judges recorded a 2/1 twist instead of 3/1 twist on FX.

c. To verify if the gymnast grasps or touches the bar with one or two hands before falling on a release element.

d. To verify if the gymnast lands on the bottom of the feet first on Vault, Uneven Bar/Balance Beam dismounts, Beam Acro elements that finish on top of the beam (foot/feet), and Floor Exercise Saltos.

e. To consider spotting deductions.

f. To consider floor line violations.

8. If administrative procedures (see below) were not properly followed on a submitted inquiry, the coach may petition the

9. Jury of Appeals for a review within 5 minutes of the end of the rotation/competition or the return of the inquiry form whichever occurs later. At State Championships and above, a video review, if available, may be considered by the Jury of Appeals. All video must be reviewed in regular time. Slow-motion WILL NOT be considered. Jury decision should occur within 15 minutes after the conclusion of meet and before the awards are presented.

**Procedures for Inquiries:** 

- a. Properly written inquiry form by the coach.
- b. Inquiry submitted in a timely manner to the Meet Referee or Meet Director.
- c. Inquiry reviewed/answered by the judging panel of the event in question.

d. Inquiry returned to Meet Referee or Meet Director.

e. Meet Referee or Meet Director returns inquiry to coach by hand or by a pre-defined inquiry return procedure.

#### See chapter 9 page 109 for developmental Program Chapter 7 page 72 for Xcel

10. If an alternative springboard is used at a Level 3 or higher USA Gymnastics sanctioned event, the vault is considered VOID.

11. For Compulsory Levels 1-5, in a modified non- traditional format, athletes may warm-up between floor routines as a group, corresponding with the squad numbers dictated by the Women's Rules and Policies. The group is not limited to six athletes, as required by Levels 6-10. If the coach feels not enough warm-up time has been given, he/she may ask the Chief Judge for a reasonable amount of additional time.

#### **MOBILITY**

1. Effective August 1, 2017, recommendation to raise the mobility scores through the D.P. Program to the following level:

Level 4 to Level 5 – 34.00 Level 5 to Level 6 or 7 – 32.00 Level 6 to Level 7 – 32.00 Level 7 to Level 8 – 32.00

2. An elite athlete dropping back into the D.P. program is considered a D.P. athlete when she enters her first USA-Gymnastics sanctioned event as a Level 10 athlete.

3 Submitting various petitions for Levels 7 and below are submit to the State Appointed Administrative Committee Chair, for Levels 8 and above, to the Regional Administrative Committee Chair.

Level 7 gymnasts may enter Xcel in either the Platinum or Diamond Division.

#### **EQUIPMENT**

Safety Reminder: The use of these extra mats is for <u>added</u> safety. The extra mats are not meant to replace proper skill progressions and athlete preparation for a particular skill. Part of our professional responsibility is to ensure that our athletes are ready to safely perform every skill in their routine; then we add the extra mat as bonus insurance.

It is recommended that there be a minimum of a 20-foot ceiling height for all USA-Gymnastics sanctioned competitions.

Effective August 1 2020:

At Levels 1-10, the mount mat (not a springboard) may be placed on a 20 cm (8") skill cushion for the purpose of mounting.

1. Whenever duplicate equipment is required for the warm-up gym (for example, Capitol Cup format), the *minimum* measurements for the tumbling strip must be 8 *ft wide by 56 ft long* and the matting must be a *minimum of 1<sup>1</sup>/<sub>4</sub> inch foam* with carpet (same as floor mat), covering the entire surface of the strip.

2. Recommendation to add the variance +/- to all equipment specifications listed in the Women's Rules and Policies. All measurements for apparatus and mats are measured from the floor. They are independent measurements, NOT cumulative.

Vault: Top of Table to floor, Max Vault height 135cm., +/-1cm.

Uneven Bar: Low Bar from top of Rail to floor 170cm., +/- 1cm. High Bar from the top of Rail to floor 250cm, +/- 1 cm. Width is measured from in-side of low rail to in-side of high rail, 180cm., +/- 1 cm.

Beam: Top of Beam to the floor 125cm., +/- 1cm.Landing Mats: All Landing Mats have a +/- 1cm.

3. A minimum of 3' in length of additional padding (carpet bonded foam or something similar), at the end of a 56' tumble strip that is used for warm-up.

#### A. VAULTING RUNWAY AND BOARDS:

### Markings on the Vault runway must be Velcro or tape. Chalk lines will not be permitted. Refer to the Junior Olympic/Technical Joint minutes 2019.

1. Only unaltered manufactured vaulting boards that meet FIG specifications (22 cm + 1.5 cm) are approved for USA Gymnastics competitions. The height of the board is measured from the floor to the highest point of the board, including the covering. Exceptions:

a. Levels 1-4 may use a manufactured "junior" vaulting board.

b. Levels 1 and 2 athletes may use alternative springboard apparatus, provided they are manufactured by a gymnastics equipment manufacturer.

## c. If an alternative springboard is used at a Level 3 or higher USA–Gymnastics sanctioned event, the vault is considered VOID.

The apparatus should resemble the shape of a vault board, with a maximum of 38 cm (15 inches) at the high end and a maximum of 10 cm (4 inches) at the low end. The surface producing the "spring" may be other than the traditional coil springs, such as an air bladder or small trampoline bed.

For timed warm-up on vault, the time will begin when the gymnast stands on the table to do a skill/jump off the table. If the gymnast does not do a skill/jump off the table, the time will begin when the gymnast begins running toward the table and touches the spring board. Warm-up drills i.e. "Handstand hops" and a "run by' without touching the board is NOT included in the warm-up time and will be allowed as long as performing these drills does not delay the competition. Excessive delay of "warm-up drills" when the timer is ready could result in a deduction.

If your gymnast is performing a ROUND-OFF ENTRY VAULT in the J.O. Program, it is strongly recommended that you purchase the Round-off Education Video. It is also recommended that you use an additional 8" skill cushion mat and use a spotter on either side of the table during this vault. The use of a safety zone mat is required. Avoidance of catastrophic injury is of the utmost concern for this vault.

National Jr. Olympic Committee voted to allow the use of the Air-o-Board (and other similar vault/mounting apparatus) to be used for Levels 1 to 3 and the Prep Optional Program.

## These types of alternative "springboards" ARE NOT ALLOWED at Level 4 through 10 competitions. If a Level 4 through 10 athlete uses a piece of apparatus that is not allowed for her level, the routine/vault is VOID.

1. A 60' minimum, 80' maximum vault runway is allowed for Levels 1 through 5.

a. Developmental Program - all levels: An additional mat may be placed on the runway (but not on the board) for any vault, provided that it is manufactured by a gymnastics equipment company and does not exceed 2 inches in height.

2. Level 1 to 7 competitions: each gymnast is guaranteed a maximum of two (2) touch warm-up vaults.

3. Level 8 to 10 Competitions: each gymnast is guaranteed a maximum of three (3) touch warm-up vaults.

4. Each gymnast is allowed to stand on the vault table and jump (or salto) off ONE TIME ONLY, in addition to their specific number of allowable vaults.

5. After presenting to the judges, the gymnasts are allowed ONE "runback" from the board before the vault attempts are counted.

6. The hand placement mat is allowed only for Round-Off entry vaults. It can no longer be used as a visual aid for hurdle placement on front entry vaults.

7. For the safety of the athlete, the Meet Director must securely fasten the vault runway to the floor with tape or velcro.

8. The vaulting table is required for Levels 4-10.

a. Junior Olympic Program: The vaulting table is required for Levels 4-10. The maximum vaulting table height is 135 cm (+ 1 cm). If using a vault table with two uprights, both must be set at the same height. The height is determined by measuring the distance from the floor to the center top of the vault table.

b. The center top of the vault table is determined by measuring 68 cm from the back of the vault table. Tape of any kind, including athletic tape, may NOT be placed on top of the table at any time during warm-up or competition.

c. If the vault runway is on a raised platform, the vault table must also be placed on a raised surface of the same height and the measurement of the vault table should be taken from the runway surface to the center top of the vault table, rather than from the floor.

d. All manufactured models of the vault table (including "retro-fit" tables that are inserted into the uprights of the old horse) are allowed for competition, provided that they are capable of being adjusted to the various height specifications allowed for Junior Olympic athletes. Matting must be used to cover the upright of the vault table as well as to cover any weights placed on the vault base for stability.

e. Levels 4-5: All age divisions may use the vault table at any manufacturer setting. Levels 6-10: All age divisions may use the vault table at any height; however, the height must be within a minimum of 115 cm (+ 1 cm) and a maximum of 135 cm (+ 1 cm). Levels 6 and 7 – vault height minimum is 115 cm., maximum is 135 cm.

- 9. Sting Mat
  - a. Sting mat (1 m x 2 m; maximum of 2 inches in height) must be supplied by Meet Director.
  - b. A sting mat may be used on top of a Mat Stack.

• EXCEPTION: A sting mat is NOT allowed on top of an inflatable mat. The uppermost landing surface when using an inflatable mad must be a minimum of a 10 cm (4 inch) skill cushion.

#### See Chapter 8 page 93 of the R & P for Level 6/7 apparatus specification.

10. Manufactured Round-off entry mat(s) may also be used; however, at East/West & D.P. National Championships, only the Round-off entry mats manufactured by the equipment company that is supplying the apparatus will be allowed. Clubs may not bring their own mats

11. If the Meet Director cannot supply the above mentioned Round-off entry mats, they may allow clubs to bring their own, provided the mat meets the criteria as stated above.

12. All Meet Directors of Level 8 and above competitions MUST provide a minimum of one manufactured Round-off entry mat (size to be determined). Sting mats will no longer be allowed for use as a Round-off entry mat for vault.

#### BARS

All level (1-10) Bar settings (adjustments) are NOT included in the warm-up time, unless an athlete chooses to "block time", either within their own team or with other teams. The clock will not stop within the block time. Each "BLOCK" is allowed to set the Bars ONE INITIAL TIME before the warm-up time begins. The clock WILL STOP between EACH Block. Separate blocks of ANY SIZE can occur within a squad.

1. Level 9 and 10 State Championships and above, timed warm-ups on Uneven Bars only will be 2.5 minutes per athlete.

2. At all sanctioned events, only one gymnast at a time can be on the bars for any part of the warm-up period (this would include timed warm-ups and 30-second).

3. A 30-second warm-up per gymnast is allowed; the setting of the bars is NOT included in the "touch" warm-up time.

#### FOR ALL STATE MEETS BARS MUST BE AAI

"International" bars (which provide a longer piston, facilitating further raising of the high bar without going beyond the manufacturer's safety guidelines) are to be provided for all Regional and National meets.

The following conversions are offered to assist in checking bar specs:  $240cm=94 \frac{1}{2}$ "; 160cm=63" 155cm=61".

#### BEAM

1. Compulsory Balance Beam Levels 1, 2, 3, 4, 5, to allow a straight leg closed finish on the landing of beam acro skills.

a. Levels 1 - 5 requires a minimum of 6' by 12' matted area at each end of the beam (mats may be placed sideways since the dismount is not off the end), and a minimum of 12' wide by 15 1/2' long matted area under the beam.

b. Levels 6-10: requires a minimum of 7 1/2' by 12' matted area at each end, and a minimum of 15' wide by 15 1/2' long matted area under the beam. An 8' wide mat for dismount area is recommended for Levels 7 and above.

c. For Levels 6-10, whenever a 4" supplemental mat ("throw" mat) is used in addition to the competition landing mat(s) for the dismount, it must be a minimum of 7' by 10'.

#### **FLOOR**

When the floor exercise carpet has two colors to distinguish the border rather than a solid color with taped boundary lines, it is permissible to place small pieces of tape (of the same color as the floor area carpet) at the inside corners of the boundary to assist the gymnast's awareness of the boundary.

Floor music must be downloaded onto a mobile device for competition to avoid interruptions/failure to play/errors. Accessing music via cellular or internet connections is not allowed. Streaming music using wi-fi will not be allowed.

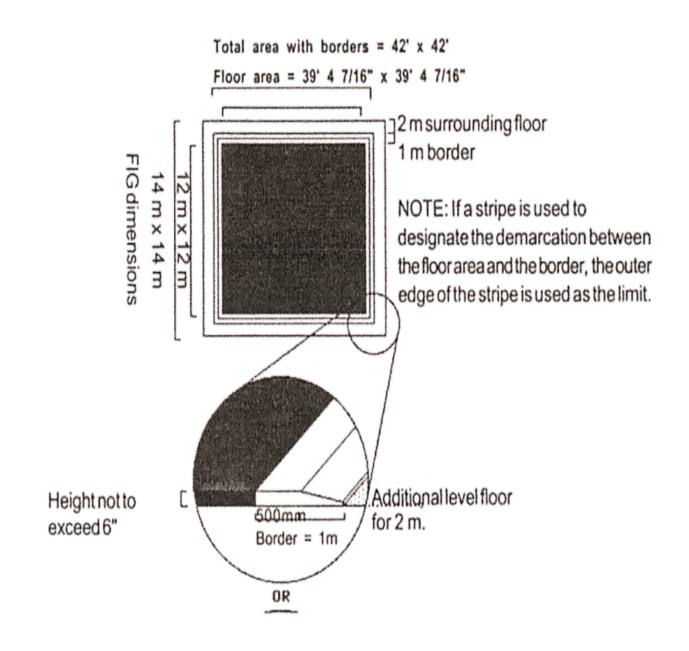

1. A minimum of 3' in length of additional padding (carpet bonded foam or something similar), at the end of a 56' tumble strip that is used for warm-up.

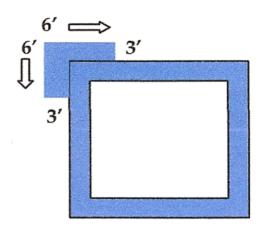

2. For Compulsory Levels 1-5, in a modified non- traditional format, athletes may warm-up between floor routines as a group, corresponding with the squad numbers dictated by the Women's Rules and Policies. The group is not limited to six athletes, as required by Levels 6-10. If the coach feels not enough warm-up time has been given, he/she may ask the Chief Judge for a reasonable amount of additional time.

3. Floor Exercise Music: Meet directors are only required to provide one option to play digital copies of music. (MP3 players, computers, tablets, etc.). CD players are no longer required.

4. Electronic music devices for playing music at competitions must have a display screen and be on airplane mode when applicable.

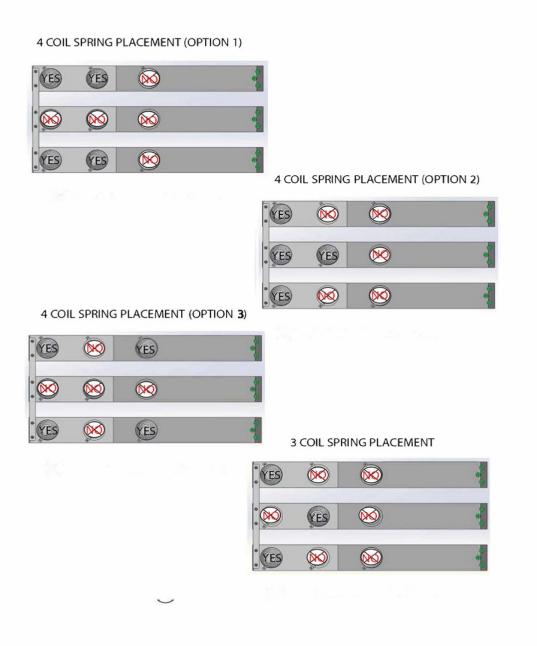

5. Floor Exercise: For Level 9 and 10, additional matting must be placed around each corner of the Floor Exercise mat to provide a minimum of 3 additional feet of matting from the floor exercise carpet edge and three feet along the perimeter. Example - showing coverage at one corner.

#### F. SPRINGBOARD/MOUNTING SPECIFICATIONS:

Effective August 1, 2017, the follow configurations for the springboard have been approved for use in USA Gymnastics sanctioned competition. If an alternative springboard is used at a Level 3 or higher USA Gymnastics sanctioned event, the vault is considered VOID. An alternative springboard for Level 2 will be allowed.

1. All Meet Directors must arrange to have boards that accommodate gymnasts of varying weights. Any boards brought in to a competition must be assigned to an event and must be available to all gymnasts in that session for warm-up and competition. The following 3-4 spring configuration for the springboard have been approved and may be utilized in USA Gymnastics sanctioned competition.

2. J.O. levels: A board used to mount Bars or Beam may be placed on the competition landing mat(s) (one or two 10-12 cm (4") mats or one 20 cm (8")). The board may also be placed on the allowable competition landing mats plus the supplemental matting of 5-10 cm (sting mat or 4" throw mat type skill cushions).

3. Levels 4-5: All age divisions may use the vault table at any manufacturer setting. Levels 6-10: All age divisions may use the vault table at any height; however, the height must be within a minimum of 100 cm (+ 1 cm) and a maximum of 135 cm (+ 1 cm).

#### TIMED WARM-UPS

Timed warm-ups for levels 6 to 10 in the *Women's Rules and Policies*, pages 104-105, various locations, to read: 11/2 minutes for all events.

Clarification for timed warm-ups for mixed levels in a squad - Page 99 of the R&P, II.A.2.a.4): If a squad has more than one level competing, the timed warm-up will be determined by the combined total number of minutes allowed for each level (see chart below)

Example 1

Squad	# gymnasts	Level	Warm-up Time
Α	10	All Level 6/7	15 min (10 x 1.5)
B	10	All Level 6/7	15 min (10 x 1.5)
С	10	All Level 6/7	15 min (10 x 1.5)
D	10	8 at Level 6/7; 2 at Level 8	16 min (8 x 1.5 plus 2 x 2 min)

Example 2

Squad	# gymnasts	Level	Warm-up Time
А	8	All Level 6	12 min (8 x 1.5)
В	8	All Level 7	12 min (8 x 1.5)
С	10	All Level 6	15 min (10 x 1.5)
D	8	6 Level 7, 2 Level 8	13 min (6 x 1.5 plus 2 x 20)

In Example 2, all squads would have 15 minutes (time of the largest squad) for vault and floor.

#### **D.P. AGE DETERMINATION DATES FOR USA-GYMNASTICS**

1. The USA-Gymnastics rule on age determination for the 2021 season. The athlete's age for competition is determined by the date of the final day of competition at the culminating championship meet of that level (example: State Meet Levels 2 to 7; Regional's Level 8: Eastern National Championships Level 9, D.P. Nationals Level 10). This means that the athletes must compete in NJ-USA-G sectional meets in the same age group that they will be at the State Championship and above. In order to be eligible to compete the gymnast must have reached the minimum age requirement for each level. It is the coach's responsibility to indicate the athlete's birthday and correct age for the season on the entry form.

2. USA-Gymnastics N.J. Age Determination Dates:

#### 3. 2021 USA-Gymnastics N.J. Age Groups:

The Regional Committee will determine age groups for Level 8 TO 10 States.

Levels 8, 9 and 10 only need to have 1 qualifying meet via a Local or Invitational Meet (with a 33.00 A.A. score) 21 days prior to the State Meet. There is no Sectionals for Level 8, 9 and 10.

For 2021 State Championships, athletes will be allowed to use 2019-2020 State qualification scores, permitted they are competing at the same level as 2019-2020. Athletes moving to a new level, as well as athletes requesting to drop back a level, will continue to follow policies outlined in the *Women's Program Rules and Policies*. The Regional and/or National chair must approve any deviations to the existing *Women's Program Rules and Policies* proposed by State or Regional Administrative committees.

4. The Meet Director MAY NOT determine the age groups for Invitational and qualifying meets below the State Championships,

5. The age groups for Levels 8, 9 and 10 States will be determined after all entries are received.

a. The specified age division may be subdivided; however they may not be combined.

b. If any of the level 8, 9 or 10 age groups are combined, the printed results must indicate the birthdate of the athlete, so that the number of competitors per age division at Regional's can be accurately projected.

Level 8, 9, and 10 Decleration will always be 40 days prier to the State Meet. The last day to qualify will always be 21 days (3 weeks) prior to that State Meet.

- a. Level 8 Deceration Date April 11, 2021
- b. Level 9-10 Deceration Date February 14, 2021

Level	To Sectional	To States	To Regionals	To Nationals

#### **XCEL GENERAL PROCEDURES FOR PETITION**

For 2021 State meets, athletes will be allowed to use 2019-2020 State qualification scores, permitted they are competing at the same level as 2019-2020. Athletes moving to a new level, as well as athletes requesting to drop back a level, will continue to follow policies outlined in the *Women's Program Rules and Policies*. The Regional and/or National chair must approve any deviations to the existing *Women's Program Rules and Policies and Policies* proposed by State or Regional Administrative committees.

1. Petitions may be considered for the following reasons: Injury, Illness or family tragedy (e.g., death, natural disaster)

2. If an athlete is injured prior to a qualifying meet, but is capable of competing in one, two or three events, she may compete in the qualifying meet without jeopardizing her right to petition to the next competition. If a gymnast COMPLETES all four events in a qualifying meet, she is not eligible to petition and advance to the next competition.

3. The coach (or club administrator) is responsible for submitting all necessary documentation for the petition on behalf of the petitioning athlete.

4. Entry fees for petitioned athletes should be submitted by the entry deadline. If the petition is denied, the Meet Director must refund the entry fee within three weeks. Forms are posted on the USA-Gymnastics website under Women's Program – Forms – Petition Forms or are available from your State Administrative Committee Chairman.

#### **COMPETITION**

1. A gymnast may compete in ONE State Meet per season. She may compete in two state meets per competitive year, as stated in R & P.

b. Local meets may be used for mobility only or qualification to the sectional meet and may have only one club (team) competing to obtain a sanction

c. Results from local meets need to be mailed or e-mail to the State Administrative Committee Chairman or designated state administrative committee representative and the meet director of the State Championships.

#### **APPARATUS**

#### VAULT:

#### **Springboard/Mounting Specifications**

Only unaltered manufactured vaulting boards are approved for USA Gymnastics competitions. The height of the board ( $22cm \pm 1.5cm$ ) is measured from the floor to the highest point of the board, including the covering. All springboards meeting the stated specifications are allowed; however, it is required to provide a springboard with coil springs. Exceptions:

a.. Bronze and Silver may use a manufactured "Junior" vaulting board.

b. Xcel Bronze, Silver, and Gold athletes may use alternative springboard apparatus, provided they are manufactured by a gymnastics equipment manufacturer. The apparatus should resemble the shape of a vault board, with a maximum of 38 cm (15 inches) at the high end and a maximum of 10 cm (4 inches) at the low end. The surface producing the "spring" may be other than the traditional coil springs, such as an air bladder or small trampoline bed.

c. If an alternative springboard is used at Platinum and Diamond division in a USA Gymnastics sanctioned event, the vault is considered VOID.

d. All divisions may also use a manufactured mat shaped like a springboard (Mount trainer/mount mat).

Plywood is not permitted underneath the board.

3. All Meet Directors must arrange to have boards that accommodate gymnasts of varying weights. Any boards brought in to a competition must be assigned to an event and must be available to all gymnasts in that session for warm-up and competition.

The configurations for the springboard have been approved and may be utilized in USA Gymnastics sanctioned competitions see page 23 in this coaches handbook on the configuration (or page 54 in the R&P).

#### **SILVER VAULT:**

Mat stack / Matting system for Silver vault. (see Chapter 6 page 56)

a. A sting mat may be used on top of the Mat Stack.

• EXCEPTION: A sting mat is NOT allowedon top of an inflatable mat. The uppermost landing surface when using an inflatable mat must be a minimum of 10 cm (4inch) skill cushion.

1. Bronze, Silver & Gold Divisions may use manufactured Junior vaulting board.

a. If an alternative springboard is used at Platinum and Diamond division in a USA Gymnastics sanctioned event, the vault is considered VOID.

b. All divisions may also use a manufactured mat shaped like a springboard (Mount trainer/mount mat).

c. Plywood is not permitted underneath the board.

2. A handspring on – Salto forward tucked off vault Vault 2.301 IS REMOVED / NOT ALLOWED in the Diamond Vault Chart.

3. Platinum Division is allowed a 7.309 Pike sole circle to handstand (no turn permitted) and 6.304 stalder backward to handstand (no turn permitted) to receive "B" Value-Part credit and receive Special Requirement credit.

For all divisions, the board MAY NOT be placed on a 20 cm (8") skill cushion for the purpose of mounting. 5. For Xcel, the gymnast may stand (without a board) on one or two 10 -12 cm (4") landing mats or one 20 cm (8") mat (with or without a 3 cm (11/4") base mat placed under or on top of the competition landing mat.)

#### **FLOOR:**

Xcel uses FIG specifications for bronze, silver, gold, platinum dog, and diamond.

# FIG specifications: 12 m by 12 m (39' 4 7/16 X 39' 4 7/16) the measurements the floor surface must be a minimum of 3.2 cm thick (1 1/4() to a maximum of 19.05 cm thick (7 $\frac{1}{2}$ ). The top of the mat must be joined into one continuous level surface maximum of 17.8 cm thick (7").

1. When the floor exercise carpet has two colors to distinguish the border rather than a solid color with taped boundary lines, it is permissible to place small pieces of tape (of the same color as the floor area carpet) at the inside corners of the boundary to assist the gymnast's awareness of the boundary.

2. For Platinum and Diamond competitions held in outside facilities, the outside of the corners must be padded with unfolded panel mats or other such matting or carpet-bonded foam (a minimum of 3.5 cm (1 3/8 inches) high) to protect the gymnast if they go beyond the dimensions of the Floor mat. The matting must extend a minimum of 5 feet out from the edge of the boundary line and extend a minimum of 6 feet from the corner down each side of the Floor Exercise area. The corner padding should be attached (with Velcro or something similar) to the floor, foam or carpet to avoid separating or slipping. An example of the additional matting at one corner is shown below: 6'

a. A tumbling strip may be used for competition for Bronze and Silver Division, provided it is a minimum of 8' wide and 56' long. The Meet Director must indicate this in the pre-meet information.

b. If carpeting is used, 3.2 cm (1/4") pile is maximum height recommended.

# c. Rebound or spring type floors are required for all Platinum and Diamond competitions. It is strongly recommended that a spring type floor also be used for Bronze, Silver, and Gold.

3. For all Xcel divisions: Up to two manufactured mats (maximum thickness of 20 cm (8")) may be placed separately on the Floor Exercise area. If the skill cushion is 20 cm (8") in thickness, it must be a minimum of 5' x 10'. A "sting" mat may also be used on top of or under the 20 cm (8") mat.

4. Only one skill cushion or 10 cm (4") throw mat per tumbling pass may be used, with no more than two mats on the floor exercise area at any one point in time. A sting mat may be placed on top of or under the skill cushion/throw mat(s).

5. Whenever additional matting is placed on the Floor Exercise area and covers any portion of the boundary line(s), the mat must be clearly marked.

a. It is recommended that athletic tape (provided by the coach) be used to mark the mats. Chalk may be used but should be removed before the next competitor.

b. A towel should be provided by the meet director to facilitate the removal of the chalk markings.

c. When a tumbling "strip" is used in place of a full floor exercise area in the training and/or warm-up gym, it must be constructed of the same materials as the spring floor used in the competition gym and must be a minimum of 8' wide and 60' long for Xcel. A minimum of 3' in length of additional padding (carpet bonded foam or something similar), is required at each end of a 56' tumble strip that is used for warm-up.

#### **GENERAL MEET INFORMATION**

ANY QUESTIONS CONTACT LESLIE MCPEEK AT mcpeekrl@gmail.com and or Kelly Gaston at karaokekelly704@gmail.com

One judge panel for all levels, 2 judge panel at all levels for States. Judges must hold a minimum of a Level 7, 8 optional rating.

#### HOW TO HOST A LOCAL INVITATIONAL SANCTIONED MEET

Member Clubs and/or other organizations holding a USA Gymnastics Organizational membership may only host sanctioned events.

The Meet Director MAY NOT determine the age groups for Invitational and qualifying meets below the State Championships.

1. Meet Director required. In order to be listed as the Meet Director (person responsible for running a sanctioned meet), the Meet Director must be a USA-Gymnastics Professional Member and a CERTIFIED MEET DIRECTOR.

2. For questions regarding how to become a meet director, please contact Cheryl Gambuti at gbuti@aol.com

3. BEFORE you send for your sanction, contact Leslie McPeek and Kelly Gaston (N.J. NAWGJ State Judging Director) at mcpeekrl@gmail.com and Kelly Gaston at karaokekelly704@gmail.com When you e-mail her please forward the following information:

- a. Your first choice date and several alternate dates you would like to host a meet
- b. Type of meet
- c. Level of gymnasts competing
- d. Number of gymnasts predicted to compete
- e. Start Time of meet (Traditional or Capitol Cup format)
- f. Number of Judges to be assigned

g. Ask ALL your questions BEFORE you send for Sanction, invite clubs, publicize your meet, etc. Leslie or Kelly will assist you with any questions pertaining to the Judges. Contact Cheryl on any question you may have about running your meet at **gbuti@aol.com** 

h. After your dates are decided, send Leslie a check payable to N.J. NAWGJ, for "\$3 per judge per day for all requests received and paid 30 or more days prior to the meet date" for example, 4 judges on Saturday and 4 judges on Sunday will be \$12 for each day for a total of \$24. 8 judges for 2 days will be \$48. Requests paid with less than 30 days prior to the meet date, 4 judges a Saturday and Sunday will be \$20 for each day for a total of \$40. 8 judges for 2 days will \$80 the **"REQUEST FOR JUDGES" on pg 62** and the **"JUDGES CONTRACT" on pg 63.** Your request is not considered "real" until she receives it, with the check, in writing! If you delay in sending the information/forms to her, your date may go to another club. Note: Each meet is a different meet even if the same club is hosting it on the same weekend. You also need to send the assigning fee for sectionals and ALL state meets.

i. Send a judges request to N.J. NAWGJ with payment 30 day's prior to the meet date to avoid late fees. "If the hard copy request and payment is sent less then 30 days prior to the meet( Rush Request), the assignment fee is \$5.00/judge."

Mail request for Judges Form to: Leslie McPeek 15 Glen Cove Rd. Andover, N.J. 07821 e-mail: mcpeekrl@gmail.com and Kelly Gaston at karaokekelly704@gmail.com IF ANY details of the meet change, contact Leslie mcpeekrl@gmail.com and Kelly Gaston at karaokekelly704@gmail.com and Courtenay Napoli at courtenay\_sturchio@msn.com IMMEDIATELY.

j. Assigning procedures-All meet requests will go to Leslie McPeek, NJ-NAWGJ Co SJD and Kelly Gaston N.J. NAWGJ Co SJD. She will assign Sectional and States Meets. There will be one assignor for local meets. Courtenay Napoli will assign meets from September through June. Meet Directors will receive an e-mail from Courtenay approximately 16 days before the meet. The email will be copied to all the judges assigned. The meet director can "reply to all" on this message to send detailed information about the meet which should include, march-in time for the athletes, report time for the judges (30 minutes prior to competition start time), number of sessions, levels competing in each session, current address for the meet, an emergency contact name and number, and any other important information about the meet. The club should request a "confirmation" from each judge. If they do not receive a confirmation at least 3 days before the meet, they should contact Kelly or Leslie to find out why the judge has not responded. Leaving messages on machines or with family members is no guarantee the judge will get the information. If there is a miscommunication and the judge arrives at the wrong time, you are responsible. Any changes must be reported to the judges and the information will then be forwarded to Courtenay Napoli (N.J. Judges Assignor) and Judges will be assigned.

k. If you need to cancel the contract / meet / judges, you must notify each judge individually, as well as the assignor aproximatley 14 days before the meet. One call to the assignor only will not suffice. Do not leave e-mail messages about cancellations. Not everyone reads their e-mail daily. The judge may read it after the cancellation deadline date. If cancellation occurs within seven days of your meet, you must pay each judge a fee of three hours at her/his rate. There is a cancellation fee of \$2.00 per judge, payable to NAWGJ, regardless of when she/he is canceled.

l. If the contract obligations are not fulfilled by either party because of extenuating circumstances, no mandatory penalties will be applied to either party. Example: Inclement weather (prohibiting travel) or grave illness. When inclement weather exists (weather which delays or prohibits safe travel for the judges), the Meet Director is responsible for the judges' lodging and meals. Judges will be accommodated with minimal expense and could be lodged in private homes with food provided. Hotel/Motel rooms are compensated ONLY if approved by the Meet Director.

m. Failure to comply with the contractual agreement will result in the following: a. On the Meet Director's part: 1) A minimum of 14 days' notice is required for amendments or cancellation of officials. If cancellation of officials occurs less than fourteen days prior to the meet and the officials are not re-assigned to another competition, the Meet Director is responsible for payment of 2 hours honorarium per judge and any non-refundable expenses incurred. 2) Regardless of the timing of the cancellation of the meet, if the judge has purchased a nonrefundable airline ticket, the meet director is responsible for reimbursing the judge for the "change fee" charged by the airlines to use the ticket for a future flight. In order to receive future credit for the cancelled flight, the judge must contact the airlines PRIOR TO THE SCHEDULED DEPARTURE to cancel the originating flight and must rebook a flight within one year of the DATE OF ISSUE of the original ticket by providing the ticket number.

n. The format of your meet will determine the amount of payment each judge will receive. Be aware that the judging time dictates the allowable break time. For example: the meet starts at ten. The judges judge two hours, break for three hours and judge three more hours. They have judged a total of five hours. They are allowed two hours of break time. They were on-site from ten till six, a total of eight hours. Deducted two hours for break. The judges will be paid for six hours. If you reversed the sessions... The judges arrive at ten. They judge for three hours, break for two hours, and judge for two. They are on-site for seven hours. Since they still judged five hours, again you would deduct two hours for allowable break time. But this time you only pay the judges five hours. (Careful planning can save you money!)

o. Depending again on your meet format, it may be necessary to serve the judges one or two meals. If you have a two-session meet we prefer you serve the "big meal" between the two sessions and a lighter one that could be eaten quickly on the road at the end of the second session. After a full day of judging, most judges just want to get home, not sit done to a nice big meal. If the judges are entitled to a meal and one is not provided each judge will be paid \$15.00 per diem. Having a second, smaller, meal available is probably your safest bet to avoid additional payment.

p. Bad weather meet cancellations require common sense decisions. You need to contact judges and coaches as soon as possible. Some are traveling from long distances to come to your meet. Plan ahead; get all the phone numbers together ahead of time when you expect bad weather. Coaches need to have their gymnast's numbers handy or to have a parent in charge of the information. For Sectional and State meets, the meet director needs to discuss the decision with the SACC and Competitions Chairman. These meets are not canceled unless it is REALLY BAD ALL OVER. What is snow in your yard may be rain or clear in other parts of the state. Something like 2-3 inches of snow on the ground and no let up in site the day of the meet would be cause for concern. Just a prediction of some snow or snow last night that has been plowed is not a reason to cancel.

4. Chief Judge/Meet Referee Payment (Applies to Jr. Olympic meets only)

a. A Meet Referee/Chief Judge shall receive an additional \$10.00 per day at the following USA- Gymnastics competitions:

b. State Meets with four-judge panels.

c. Level 8-10 Regionals, regardless of the number of judges per panel.

d. Level 9 East/West Championships, Level 10 National Championships, and the J.O. National Invitational Tournament.

e. No dual compensation is given if the Meet Referee also serves as a Chief Judge.

f. The Meet Referee shall be paid the hourly fee for the time during which she/he is conducting official Meet Referee responsibilities.

g. Chief Judge/Meet Referee fees are NOT paid at state meets with two-judge panels, or at any local/sectional meets.

#### **JUDGES EDUCATION STIPEND**

1. A Brevet and National judge will receive an additional \$20.00 per session Plus the normal judging fee's.

2. Judge Level 10 and below will receive an additional \$10.00 per session Plus the normal judging fee's.

#### USA-G N.J. will handle the stipend fee for State Meets.

12. The assigning fee is \$5.00 per judge if requested prior to 30 days of competition and \$5.00 per judge after that time. When making your request, remember that there is a \$2.00 cancellation fee per judge per meet canceled.

o. The Meet Director MAY NOT determine the age groups for Invitational and qualifying meets below the State Championships,

# If a Meet Director incurs three sanction violations in one competitive season, he/she will be placed in pending status. He/she must re-take and pass the Meet Director Exam before being placed in active status. (Sanction Violations and Penalties See chapter 3 pg 34 on fines)

The USA-Gymnastics Rules and Policies Book is available online, it is your resource for a sanctioned meet

p. The computer scoring system should be set up to record both vaults for each gymnast and the computer selecting the best vault to be recorded.

q. Each sanctioned meet must input both judge one and judge two scores to compute the average at every event. There must be a paper trail to go to the score table to verify the input from the keypad. Both vaults should be listed for verification.

r. Each judge should be provided a score slip to record their score to submit to the Chief Judge.

s. Meet Directors will only be required to play digital copies of music, i.e. MP3 players, computers, tablets, etc.. Electronic music devices for playing music at competitions must have a display screen and be on airplane mode when applicable. CD players will no longer be required.

t. If a squad has more than one level competing, the timed warm-up will be designated for the highest level within the squad

u. Recommendation to Meet Directors - That Xcel athletes compete before J.O. athletes when in the same squad. With multiple levels in the same squad. Athletes should compete in ascending order of level or division (lowest to highest)

v. For Levels 6 and 7- Squads with up to 10 athletes are not required to split for timed and touch warm-up

w. If a meet is cancelled or schedule changes: Meet Director's Part: A minimum of 2 weeks notice is required for amendments or cancellation of officials

x. Music - It is recommended that the MD be able to plug the music device into a charger while playing floor music, or to remind the coaches to make sure that all devices are fully charged before starting the routine.

y. When additional matting is used that overlaps the boundary of the FX mat, it is recommended that athletic tape (provided by the coach) be used to mark the mat. Chalk may be used, but should be removed before the next competitor. A towel should be provided by the Meet Director to facilitate the removal of the chalk marks.

z. When hosting meets Judges are allowed to receive gifts which cannot exceed a retail value of \$20.

aa. Officials pay at state meets and above, when the competition requires a video analysis (Base Score) in addition to the judges' meeting, the paid judging time starts with the scheduled meeting time, up to one hour prior to the scheduled march-in time.

bb. Due to covid 19 a judge may request single room accommodations with the approval of the meet director. However, if approved, the meet director is not responsible for the full financial obligation unless otherwise agreed upon by both parties.

#### **Covid 19 Recommendations**

## 1) USA-G N.J. strongly recommends that all concessions and 50/50 be postponed until further notice.

2) It is highly recommended that you post your policies on your website in advance of the competition, at all entrance door's, also throughout the building during the competition.

3) All workers must wear gloves, masks or face shield.

4) All spectators must wear masks when indoors.

5) Temperature checks for gymnast and spectators (mandatory). Hand sanitizer needs to be available at all entrances,

6) Spacing and distancing for gymnast and spectator lines needs to be planned for and managed.

7) Send out request to clubs for parents to have exact change, or prepay.

8) Depending on capacity and seating only two (2) spectators per athlete.

9) All spectators seating must be marked at correct 6' intervals and checked periodically for proper

location.

10) All spectators remain inexact marked seat. (NO ROAMING AROUND) Hand held video only.

11) Sessions will be limited to twenty six (26) athletes until further notice.

12) No catering of food.

a. Individual wrapped meals and water can be provided for judges and/or coaches.

b. An area for judges needs to be provided where distancing can be maintained. Judges' room must be locked at all times.

c. Meet workers are not permitted to congregate inside judges' rooms other than cleaning / sanitizing.

13) Mark areas around/behind each judging table to prevent participants from standing in close proximity to the judges.

14) Provide electronic devices such as score pads or iPads for each judge to reduce the necessity of judges passing paper slips or verbally communicating their score and/or use rotation sheets rather than individual participant scorecards.

15) Sanitize electronic devices after each session.

16) Discourage volunteers and coaches from sitting at judging tables while judges are on break.

17) When applicable, provide hotel accommodations that will allow for social distancing of judges, e.g., individual rooms, and suite-type hotels with two separate sleeping areas.

18) One (1) -judge panel for Compulsory – Two (2) judge panels for optional. Two (2) Judge panels must be separated or placed on opposed sides of equipment.

19) Recommend that Judges and meet workers do not leave assigned station. (NO ROAMING AROUND)

20) Bathroom facilities need to be monitored. Bathrooms need to be sanitized every hour as a minimum during an event. Lines for bathrooms need to maintain distancing.

21) A session should last about 2 hours. Allow ample time for sanitizing of equipment. Sanitizing should take place between rotations, between team's usage and between sessions if possible. All teams should warm up and compete on a piece of equipment before the other teams. Swiffer's, disinfectant spray bottles, and/or misters should be available at all events.

22) One coach per 5 athletes. Clubs that use multiple coaches on different events, the coach that is not coaching needs to leave the building. No need to have 3 or 4 coaches for 3 gymnasts.

23) Judges and coaches must wear a mask or face shield at all times.

24) When an athlete is not competing/warming up, they must wear a mask or face shield.

25) A designated spot should be provided for each gymnast's bag. All water bottles need to be kept in their bags.

26) Each gymnast should have their own block of chalk in their zip lock bag with their team and name clearly marked

27) Coaches may remove the mask when spotting if needed.

28) Every meet host MUST send out procedures that are in place one-week before the meet to visiting clubs, assigned judges, and Bill's e-mail to <u>billpsiuk@optimum.net</u>

#### NJ USA-G will keep all procedures submitted by meet host on file.

#### **JUDGES EDUCATION STIPEND**

1. A Brevet and National judge will receive an additional \$20.00 per session Plus the normal judging fee's.

2. Judge Level 10 and below will receive an additional \$10.00 per session Plus the normal judging fee's.

USA-G N.J. will handle the stipend fee for State Meets.

Consistency: It is not appropriate for Meet Directors to encourage judges to be lenient in their scores in order to ensure that clubs will return the following year. All other meet rules for a sanctioned meet should follow the Rules and Policies Book.

Financial report for Sectional and above competitions are due 2 weeks after your competition

#### **REPORTING MEET RESULTS**

#### Or you can e-mail the financial report to **billpsiuk@optimum.net**

REMEMBER: If your meet was canceled, you must still submit the sanction form to EVERYONE ABOVE with a note explaining: *"Meet Canceled"*. Otherwise everyone thinks you had the meet, the file remains open, and every one is looking for a check from you.

#### **EDUCATION OPPORTUNITIES**

1. SAFETY CERTIFICATION: A course designed to improve the safety and welfare of individuals participating in gymnastic activity. Courses are usually given in the fall, spring, and summer. You can also take this course online. The certification lasts for 4 years. *(All coaches and Judges must be pro-members and safety certified at all USA-Gymnastics sanctioned meets.)* 

2. MEET DIRECTOR CERTIFICATION: Certification is available by completing and mailing the MDC test found on the USA-Gymnastics Web site. MDC is required prior to applying for a sanction. <u>Meet Directors for 2019 Sectional & State Meets must contact the Meet Director Rep Cheryl Gambuti and check on any updates.</u> (If you have any questions regarding meet director testing, please contact Cheryl at gbuti@aol.com

3. U100: FUNDAMENTALS OF GYMNASTICS: "Instructor Certification" is also required for anyone that intends to coach at a sanctioned competition.

4. PROFESSIONAL DEVELOPMENT PROGRAM PDP: The PDP is a step-by-step level system of coach's education. As a developmental education recognition and accreditation program, the PDP provides coaches and instructors with resources to enhance their knowledge of teaching gymnastics skills successfully. Some of the publications involved with this program include Rookie Coach's Gymnastics Guide, and Sequential Gymnastics II.

5. COACH'S CERTIFICATION USA Gymnastics LEVELS 1 through 4 (Skill Evaluator): All potential Level 5 gymnasts must be evaluated and certified as having met the requirements of Levels 1 through 4. When they have met the requirements, a Certified Coach can apply for the required Athlete Membership for a Level 5 gymnast. Certification of the coach requires completing and passing an examination of Level 1 through 4. (You no longer need to take this test to certify a level 4 gymnast. It is highly recommended to take the test for professionalism).

6. FIRST AID / CARDIOPULMONARY RESUSCITATION / CONCUSSION: The Safety Certification Manual recommends that at least one instructor should be trained in First Aid / CPR and in a Concussion course and be present whenever the facility is open. All instructors should be encouraged to participate and receive certification in these certificates. Contact your local American Red Cross or American Heart Association. Or visit

#### **GUIDELINES FOR FAMILY SAFETY AND BEHAVIOR AT MEETS**

1. Another professional responsibility we have is to educate not only our athletes, but their families as well. This includes information on the USA-Gymnastics system, current rules, rule updates, athlete performance expectation, athlete meet behavior requirements and FAMILY MEET BEHAVIOR STANDARDS. Family meet behavior standards are not formally written anywhere, but this is a suggested list of common sense standards that we should all be able to live with. We treat others as we wish to be treated.

2. Parents need to get their gymnast to the meet on time, which means you need to give them accurate meet report times and directions to the site.

3. Parents are not allowed on the "competitive floor" during warm-up, competition, or awards. Parents should be using you, their child's coach, as the go between for any questions they have concerning the meet. Parents need to say good-bye to their gymnast for the duration of the meet. During the meet, you, the coach, are now their guardian until after the competition. Parents should not approach other coaches, judges, scorekeepers, or the meet director.

4. Parents need to maintain good order and discipline with any other children they bring to the meet. This is important to the safety of the competitors as well as the safety of all spectators. Long meets make control of children difficult, so your parents need to know what to expect BEFORE they get to the meet.

5. Parents need to respect the meet facility and its furnishings. They are not at a minor league ballpark. They are the guests of the training facility of another parent's child. Do not leave trash, be respectful of the rest rooms, and please eat and drink in the designated areas only. (Nothing against minor league ballparks!) "You, the coach, are responsible in keeping your team parents informed. If the meet director has any problems with that parent, they will be escorted out of the gym and will not be allowed to return to that meet.

6. No matter how may times we have already said it:

#### a. "NO FLASH PICTURES DURING WARM-UPS AND COMPETITION".

b. "Place all electronic communication devises (*pagers/cell phones*) to the silent mode during all competitions".

7. Please ask your parents to support their child NO MATTER WHAT. If the child falls and doesn't make the State Meet, the parent should hug the gymnast, tell her "I love you and I am very proud of you". Focus on something that the child did well in the meet. The fact that the gymnast is good enough to be in the meet is a tremendous accomplishment that should never be forgotten.

8. Say something positive about other competitors. Never criticize another gymnast or club. You never know who is sitting next to you. Please do not hold signs up which may block the view of other spectators.

9. Last, but VERY important, please explain to your parents that when their gymnast does something REALLY GREAT at (i.e.) vaulting, <u>APPLAUSE ONLY</u> is appropriate. Remember, another gymnast is trying to concentrate on beam, bars, and floor at the same time your parent group is screaming. At tennis matches, the meet referee often tells the crowd "Quiet Please". We ask for "Quiet Please" BEFORE the meet starts to show respect for the other athletes in the meet. This respect will then apply to your own team members too, when they need the quiet for their own concentration.

#### THE TEN COMMANDMENTS FOR GYMNASTICS PARENTS

#### 1. Thou shalt not impose my ambition on the child

Remember that gymnastics is your child's activity and she will progress at her own speed. It can never be a positive thing when a parent is forcing a child to do a sport that she does not want to do. The best part about gymnastics is that it does not matter whether you finish first or last, rather the wonderful lessons each girl will learn as she strives to do her best.

#### 2. Thou shalt be supportive no matter what

There is only one question to ask your child, "Did you have fun?" If meets and practice are not fun, your daughter should not be forced to practice.

#### 3. Thou shalt not coach my child

You have taken your child to a professional coach; do not undermine that coach by trying to coach your child on the side. Your role is to *support, love, and hug* your daughter no matter. The coach is responsible for the technical part of the job. You should not offer advice on technique or skill selection. That is not your area. This will not only serve to confuse your child and prevent that gymnast/coach bond from forming.

#### 4. Thou shalt only have positive things to say at competitions

If you are going to attend a gymnastics meet you should cheer and applaud but never criticize your daughter or her coach.

#### 5. Thou shalt achnowledge they child's fear

It is a normal human reaction for a child to be scared when attempting new skills or competing. *Do not yell or belittle your daughter, just assure her* that her coach would not have her attempt the skill or put her in the competition if she was not ready for it.

#### 6. Thou shalt not criticize the judges

There is much more to judging than you think and each judge has had to pass a test to do what she/he does. There are many routine requirements that the general spectator is completely unaware of that certainly have a factor on the final score. No one is perfect, but it is without question that they know more than you.

#### 7. Honor thy child's coach

The bond between the coach and gymnast is a special one and one that contributes to your child's success as well as enjoyment. Do not criticize her coach in her presence because it will only add to the many distractions she must already deal with during her gymnastics training and performance.

#### 8. Thou shalt not jump from club to club

The floor exercise carpet always seems bluer at another gym. Every team has its own internal problems, even teams that build champions. Children who switch from gym to gym are often ostracized by teammates they leave behind. Often times, gymnasts who do switch teams never do better then they did before they sought the "bluer carpet". However one club will not please everyone and you need to find the club where you will fit best.

#### 9. Thou shalt have other goals besides winning

*Encourage your daughter to do her best*. Giving an honest effort no matter what the outcome is much more important than winning.

#### 10. Thou shalt not expect thy child to become an Olympian

There are 71,649 athletes participating in competitive gymnastics. There are only 7 spots available for the Olympic Team every four years. Your child's odds of becoming an Olympian are1 in 149,030. You can understand how difficult it is to become an Olympian because the odds are you have never been one yourself even though you, as a child, probably wanted to be. Gymnastics is much more than the Olympics! Chances are your daughter's coach was not an Olympian, but still received enough out of gymnastics that they want to pass their love for the sport onto others. Gymnastics teaches so much so many virtues while building self-esteem, life long friendships and much more. Olympians will tell you that these intangibles far outweigh any medals they may have won. Gymnastics builds good people and you should be happy that your child wants to participate.
