

## *Your Future in Motion. Balancing Dreams and Degrees—Wherever You Are.*

Thomas Edison State University (TESU) and USAIGC have partnered to provide accessible, high-quality education to gymnasts of all skill levels—no matter where they stand in the competitive landscape. Through this partnership, gymnasts can pursue degree programs and certificates designed to support their academic and career goals.

- ◆ Partner tuition discount for all programs
- ◆ 100% online associate and bachelor's degrees and undergraduate certificates
- ◆ Virtual admissions, enrollment support and a streamlined admissions process
- ◆ Access to TESU support including academic advisors, Center for Student Success and the Office for Career Development

### Why Choose TESU?

As one of the first universities in the country designed specifically for busy, motivated adults, Thomas Edison State University is dedicated to providing you with a high-quality education — anytime, anywhere.

- ◆ Associate, bachelor's, master's, and doctoral degrees
- ◆ Graduate and undergraduate certificates
- ◆ Special tuition rate for USAIGC Club Athletes
- ◆ Generous transfer credit policy
- ◆ Monthly start dates
- ◆ Flexible online programs
- ◆ Courses available 24/7
- ◆ 100+ areas of study
